

## COVID-19 INFORMATION

UPDATED 2 AUGUST 2021

Our measures and procedures are under constant review and will be updated as advice from the UK Government and health authorities is amended.

With the advice of medical experts, The R&A has put in place robust, monitored measures to help safeguard everyone involved in the championship.

**Please be advised that travel restrictions may be amended at any time. Players are reminded it is your responsibility to check and observe all the latest health and entry requirements applicable to your journey before you travel.**

If you have been fully vaccinated and are **not** exempt, all quarantine rules must be followed.

### PLAYERS TRAVELLING FROM WITHIN THE UK OR THE COMMON TRAVEL AREA

You can enter England from other parts of the UK, the Republic of Ireland, the Channel Islands and the Isle of Man. This is known as the Common Travel Area. However, there may be restrictions in place in the area you intend to travel from which prevent you from travelling. For example, if you are in Wales, Scotland or Northern Ireland, there may be restrictions on movement which means you cannot travel to England.

You should check the restrictions in place where you intend to travel from before making arrangements to travel. If you do travel to England, you must follow the restrictions on what you can and cannot do until you arrive in England. For further information please [click here](#).
